Office Action Summary

Art Unit: 1616

Receipt is acknowledged of Amendment of 2/22/00.

The timely submission under 37 CFR 1.129(a) filed on 2/22/2000 is not fully responsive to the prior Office action because the specification as replacement was not requested, and does not carry applicants declaration that it does not contain any new matter, and is not accompanied by a cut up or clear indication of what the difference are between the new and the old, ans, the claims are not on a separate page. Examiner will consider the new claims when applicant's attorney presents connect format and cancels the newly submitted, specification with claims and arguments, and resubmits a certified specification, and separate paper for claims, and for arguments. Please provide where in specification the language is supported. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
